

Mobile Varsity E-Commerce App — Full MVP Documentation

1. Project Name

VarsityMart (placeholder)

2. Overview

VarsityMart is a mobile-first e-commerce platform designed for universities. Students buy and sell items, entrepreneurs run stores, and the platform earns revenue from commissions and store subscriptions.

3. Target Users

Primary Users

- Students
- Campus entrepreneurs

Secondary Users

- Delivery personnel
- School-approved vendors

4. Core Features (MVP)

4.1 User Accounts

- Login with school email or phone
- ID verification
- User ratings and transaction stats

4.2 Marketplace

- Users can post items with images, prices, categories.
- Anti-bypass systems: in-app chat only, censored keywords, no external links or numbers.

4.3 Stores

- Entrepreneurs pay 25 GHC per semester
- Store dashboard with branding, analytics, products

4.4 Payment & Commissions

- 5% commission per sale
- Escrow system: funds released after buyer confirmation
- MoMo integrations

4.5 Delivery System

- Meet-up or delivery
- Night Shop opens at 10pm with increased fees

4.6 In-App Chat

- Real-time chat
- No external contact sharing
- Suspicious keyword detection

4.7 Ratings & Reviews

- 1–5 star reviews
- Verified purchase tags

4.8 Admin Dashboard

- Approve stores
- Manage listings
- Handle disputes
- Analytics

5. Workflows

Buying

Browse → Checkout → Pay → Deliver/Meet → Confirm → Seller Paid

Store Creation

Pay fee → Approve → Dashboard unlocked

Delivery

Assigned partner → Fee auto-calculated → Completion

6. Security & Anti-Fraud

- In-app chat only
- Escrow system
- Moderation AI
- Watermarked images

- Penalty system

7. Branding & Logo

Logo merges university identity (cap/book/emblem) and e-commerce (cart/tag/bag).

8. Tech Stack

React Native, Node.js, PostgreSQL/Supabase, Socket.io, MoMo APIs.

9. MVP Limitations

- Single campus
- Manual moderation
- Limited categories

10. Future Expansion

- AI fraud detection
- Vendor analytics
- Credit system
- Full delivery network
- Ad marketplace

11. Conclusion

VarsityMart enables safe campus commerce, empowering students and campus businesses with a sustainable revenue model.
